Processing Activities to which this Notice Refers	PAC-07 Management of the eufcn.com Website
Method of Delivery and Retention	This notice is addressed to all persons who visit the website eufcn.com. It is permanently published on the website and can always be consulted via the "Privacy Policy" link in the footer of the pages. This allows every user to know, from their first visit to the site, how EUFCN processes the personal data collected during browsing. This notice concerns solely the processing of personal data connected with browsing the website eufcn.com. Should the user make use of specific services offered through the website, such as newsletter subscription, the contact form, or other services involving the collection of personal data, a specific dedicated notice will be provided before their data is submitted.

NOTICE ON THE PROCESSING OF PERSONAL DATA

ARTICLE 13 OF REGULATION (EU) 2016/679 – GDPR

1. Identity and Contact Details of the Controller

The Controller is:

European Film Commissions Network (EUFCN)

Chaussée de La Hulpe 177/8 – B-1170 Watermael-Boitsfort (Belgium)

Email: info@eufcn.com

2. Data Protection Officer (DPO)

As at the date of this notice, the Controller has not appointed a Data Protection Officer (DPO).

Should a DPO be appointed, their contact details will be made available on EUFCN's institutional website.

3. Purposes and Legal Basis of the Processing

While browsing the website **eufcn.com** some personal data is processed in order to:

- ensure the proper functioning of the website;
- ensure the security of IT systems and electronic communications;
- carry out maintenance, technical support and monitoring of the website;
- prevent or detect unlawful use of the website or attempts to compromise its security;
- comply with legal obligations or requests from the competent Authorities.

The legal basis for the processing is the Controller's legitimate interest in ensuring the proper functioning and security of its website (Article 6(1)(f) of the GDPR) and, where applicable, compliance with legal obligations (Article 6(1)(c) of the GDPR).

4. Categories of Data Processed

- During browsing, personal data of a technical nature may be collected, including:
- IP address or other network identifiers;
- date and time of requests;
- pages visited;
- browser and operating system used;
- technical information automatically transmitted by the device used for browsing;
- access logs and other data necessary for the functioning and security of the website.
- Browsing may also involve the processing of personal data voluntarily provided by the user through the specific services available on the website. Such processing is governed by the respective notices.

5. Cookies and Other Tracking Tools

The website **eufcn.com** uses cookies and other technical tools necessary for its operation.

Information on the types of cookies used, the purposes for which they are used, and how the user can manage their preferences, is set out in the **Website Cookie Policy (PN-08)**, always available on the website.

6. Recipients of Personal Data

The personal data may be processed by:

- persons authorised by EUFCN;
- IT, hosting, maintenance and technical support service providers appointed as Processors pursuant to Article 28 of the GDPR;
- the competent Authorities, in the cases provided for by law.

The personal data is not disclosed to the public.

7. Transfer of Data to Third Countries

Should any personal data be transferred, for technical reasons related to the management of the website, to countries outside the European Economic Area, such transfer will take place solely in compliance with the provisions of Chapter V of the GDPR, on the basis of an adequacy decision or through the adoption of the appropriate safeguards provided for under Articles 45 and 46 of the GDPR.

8. Retention Period

Browsing data is retained for the time strictly necessary to achieve the purposes for which it was collected and, in any case, in accordance with the retention periods provided for under applicable legislation and the security needs of IT systems.

9. Rights of the Data Subject

The data subject may exercise, in the cases provided for under the GDPR, the rights of access, rectification, erasure, restriction of processing, data portability and objection to processing, by contacting the Controller using the details set out in this notice.

10. Right to Lodge a Complaint

Where the data subject considers that the processing of their personal data infringes applicable legislation, they have the right to lodge a complaint with the competent supervisory authority or to seek judicial redress before the competent courts.

11. Nature of the Provision of Data

The transmission of browsing data is a technical consequence of the use of Internet communication protocols. Failure to provide such data may make it impossible, or may limit, the proper functioning of the website and the services it offers.

12. Automated Decision-Making

EUFCN does not carry out any solely automated decision-making, including profiling, which produces legal effects concerning the data subject or similarly significantly affects them, within the meaning of Article 22 of the GDPR.
